

The City of Lakes Community Land Trust Opportunity Fund Application

Thank you for your interest in the CLCLT Opportunity Fund! The Opportunity Fund is available to CLCLT homeowners and their spouse, partner or dependants. The Opportunity Fund will support one time fees for trainings, conferences, books, tuition, and business development *that provide an opportunity for the applicant to work toward a goal that would further their ability to create wealth or build assets for their household or better the community.* Households can receive one Opportunity Fund grant per year, and the maximum grant amount is \$500.

CLCLT would prefer to pay the organization or vendor directly when possible. If not possible, the CLCLT will reimburse homeowners with proof of payment. Unfortunately, the CLCLT is unable to pay a homeowner in advance of the cost.
